◆ *Explanation of Services* ◆

Wedding Ceremony Director - We will be there for the Directing of the rehearsal and the ceremony. We will give you the finalization of wedding processional and recessional format.

Wedding Coordinator - We will be your right hand woman the day of the wedding. We will greet all vendors the day of the wedding as they arrive to set-up and direct them as needed. We will handle the minor details of needing a safety pin to the major details of keeping the bride and groom apart until they have decided it's time. We will keep you on track during the reception for the first dance, cake cutting, etc. This includes 1 on-site consultation.

Wedding Consultant - You plan you own wedding but we give a professional opinion as needed. We can help you to not make costly mistakes. We will give you recommendations of reputable wedding vendors and keep you on task. We will tie up all last minute details with vendors and coordinate their arrival. This includes 2 on-site consultations.

Wedding Planner - We will help you plan your wedding from right after the proposal to the "I DO" and celebration. We start by helping you form a budget and finding vendors that provide the services to fit within your budget. We will serve as the liaison between wedding vendors and coordinate all details of the wedding. This service includes unlimited hours of consultation and on-site consultations as needed.
